

KaRL BaRX®

Personell:

Sigurd Brørs	main vocal, guitar, synth
Jo Endre Tronsaune	guitar
Tore Øverleir	bass, vocal
Rainer A. S. Pedersen	drums
Brita Skare Malvik	vocal, percussion
+ Una Ersdal	sound technician

Gear needed, sound:

- 3 vocal mics w/boom stands
- 2 stk DI-boxes for synth + cables
- 2 stk DI-boxes for backing tracks from pc

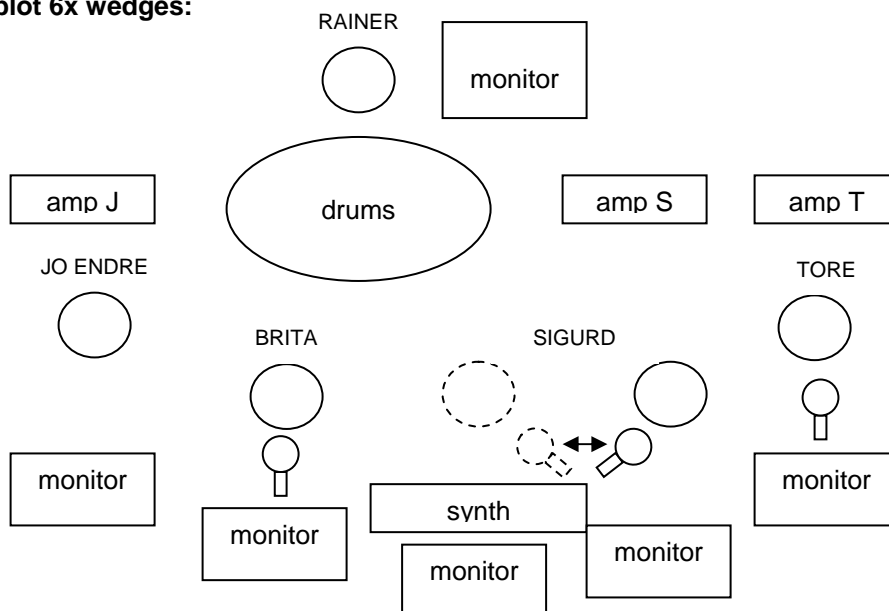

Monitoring:

- Jo Endre, Brita, Tore from wedges
- Rainer from wedge or from (his own) InEar system, preferably in stereo, via jack
- Sigurd from wedge or preferably from (his own) cordless InEar system
- Minimum 6 channels are needed in pre-fader:
 - The optimal solution is minimum 3 or more wedges + the opportunity to use inEar
 - Without the opportunity to use inEar, 6x wedges are needed

Light/design:

- If the venue can provide projector/canvas, we will show background animations from PC (not DVD)
- KaRL BaRX' color palette is YELLOW, BLACK and RED, band members are mainly wearing YELLOW and BLACK
- Preferably RED or BLACK stage curtains
- YELLOW, RED and neutral white light is good
- Light in other colors (GREEN, BLUE etc) should only be used one at a time

Stageplot 6x wedges:
